

2018-19 HOLMES ATHLETICS INFORMATION

MANDATORY SPORT PHYSICAL: To participate in the Holmes athletic program, students must either turn in a complete physical card, or have a current physical (dated April 15, 2018 or later) on file. Physical forms **MUST** be turned in **BEFORE** students can participate in a sport. These forms can be turned in to the Athletic Director during Schedule Pick-up or during the school year. **REMEMBER: NO PHYSICAL FORM... NO TRY-OUT... NO PLAY!**

It is the family's responsibility to arrange for a sports physical, and we encourage families to make an appointment with either their family doctor or a clinic. **IMPORTANT:** Be sure to take the Livonia Public Schools physical form to the appointment. Make sure the doctor dates it, and parents - be sure to completely fill out the back side.

PAY TO PARTICIPATE: Participation in athletics is based on the individual interest, ability and number of members per team. The payment of participation fees does not guarantee a particular role on a team or that the student will play in contests.

- A one-time participation fee of \$150 will be collected upon making a sports team.
- There is a cap of \$700 per family for secondary athletics and activities.
- The fee is due on the first day of practice after the final cut is made.
- If a student quits or is dismissed for disciplinary/academic reasons, there is no refund.
